ARCHANA A

Aspiring Software Developer | Software Development & Technical Skills | Web Technologies
+919342729676 | archanaanbalagan15@gmail.com | Linkedin

PROFESSIONAL SUMMARY

Software Developer with a strong foundation in Java, backend development, database management, and web technologies. Skilled in developing web applications using Java, Spring Boot, JDBC, JSP, Servlets, MySQL, HTML, CSS, JavaScript, and React.js. Experienced in implementing CRUD operations, database integration, and application functionality through hands-on projects. Focused on problem-solving, writing maintainable code, and developing reliable software solutions.

TECHNICAL SKILLS

Programming: Java
Backend Technologies: JDBC, Servlets, JSP, Spring Boot
Database: MySQL
Frontend: HTML, CSS, JavaScript, React.js
Development Tools: IntelliJ IDEA, Postman, Apache Tomcat

PROJECTS

Quiz Builder — Quiz Management Web Application

Technologies: Java, Spring Boot, MySQL, HTML, CSS, JavaScript

- Developing a web application for creating and participating in quizzes.
- Working on quiz and question management and database integration.
- Building backend functionality using Spring Boot.
- Continuing development and testing of application features.

Book Management System

Technologies: Java, JSP, Servlets, JDBC, MySQL, HTML, CSS

- Developed a web application for managing book records.
- Implemented create, read, update, and delete (CRUD) operations.
- Used JDBC for database connectivity and JSP/Servlets for web application functionality.

Internship

Full Stack Java Developer Intern
Besant Technologies, Bengaluru

- Completed training and internship in full-stack development.
- Gained exposure to Java, SQL, HTML, CSS, JavaScript, and React.js.
- Practiced programming and web development concepts.

CERTIFICATIONS

- Java Full Stack Developer Certification - Besant Technologies.
- Java programaing - Terv.

EDUCATION

Bachelor of Engineering(B.E) - Electronics and Communication Engineering - 7.6 CGPA
Muthayammal College Of Engineering Nov 2022 - May2026
